Data Access Application

1. Definition

This form serves as an application for accessing specific datasets hosted by the ShanghaiTech IMPACT Lab.

Please specify the index/name of the dataset you are applying for:

[   ]

2. Purpose

The requested dataset may only be downloaded and used ***for academic research purposes***. Redistribution of the data in any form, either in part or in full, ***is strictly prohibited*** without prior written authorization from the Lab. Any use of the data outside of research contexts is not permitted.

3. Citation

Should this dataset be used in any publication or output, users are required to provide appropriate citation(s) as specified by the ShanghaiTech IMPACT Lab.

4. User Signature
